OUT OF SIGHT . . OUT OF MIND . . OUT OF BUSINESS!

The importance of keeping firm and product names in the public eye is recognized by all businessmen. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. **INSIST** on being well represented in its pages.

WORK STATISTICS

THERE WERE 3,400,000 WOMEN WORKING IN CANADA AT THE END OF 1974. THIS IS 34.4% OF THE LABOUR FORCE.

Of these, 58% were married, 32.5% were single, and over 9% were widowed, divorced or separated.

Working women have less time to watch television or read magazines and newspapers. They must spend more money on clothing. Many drive their own car.

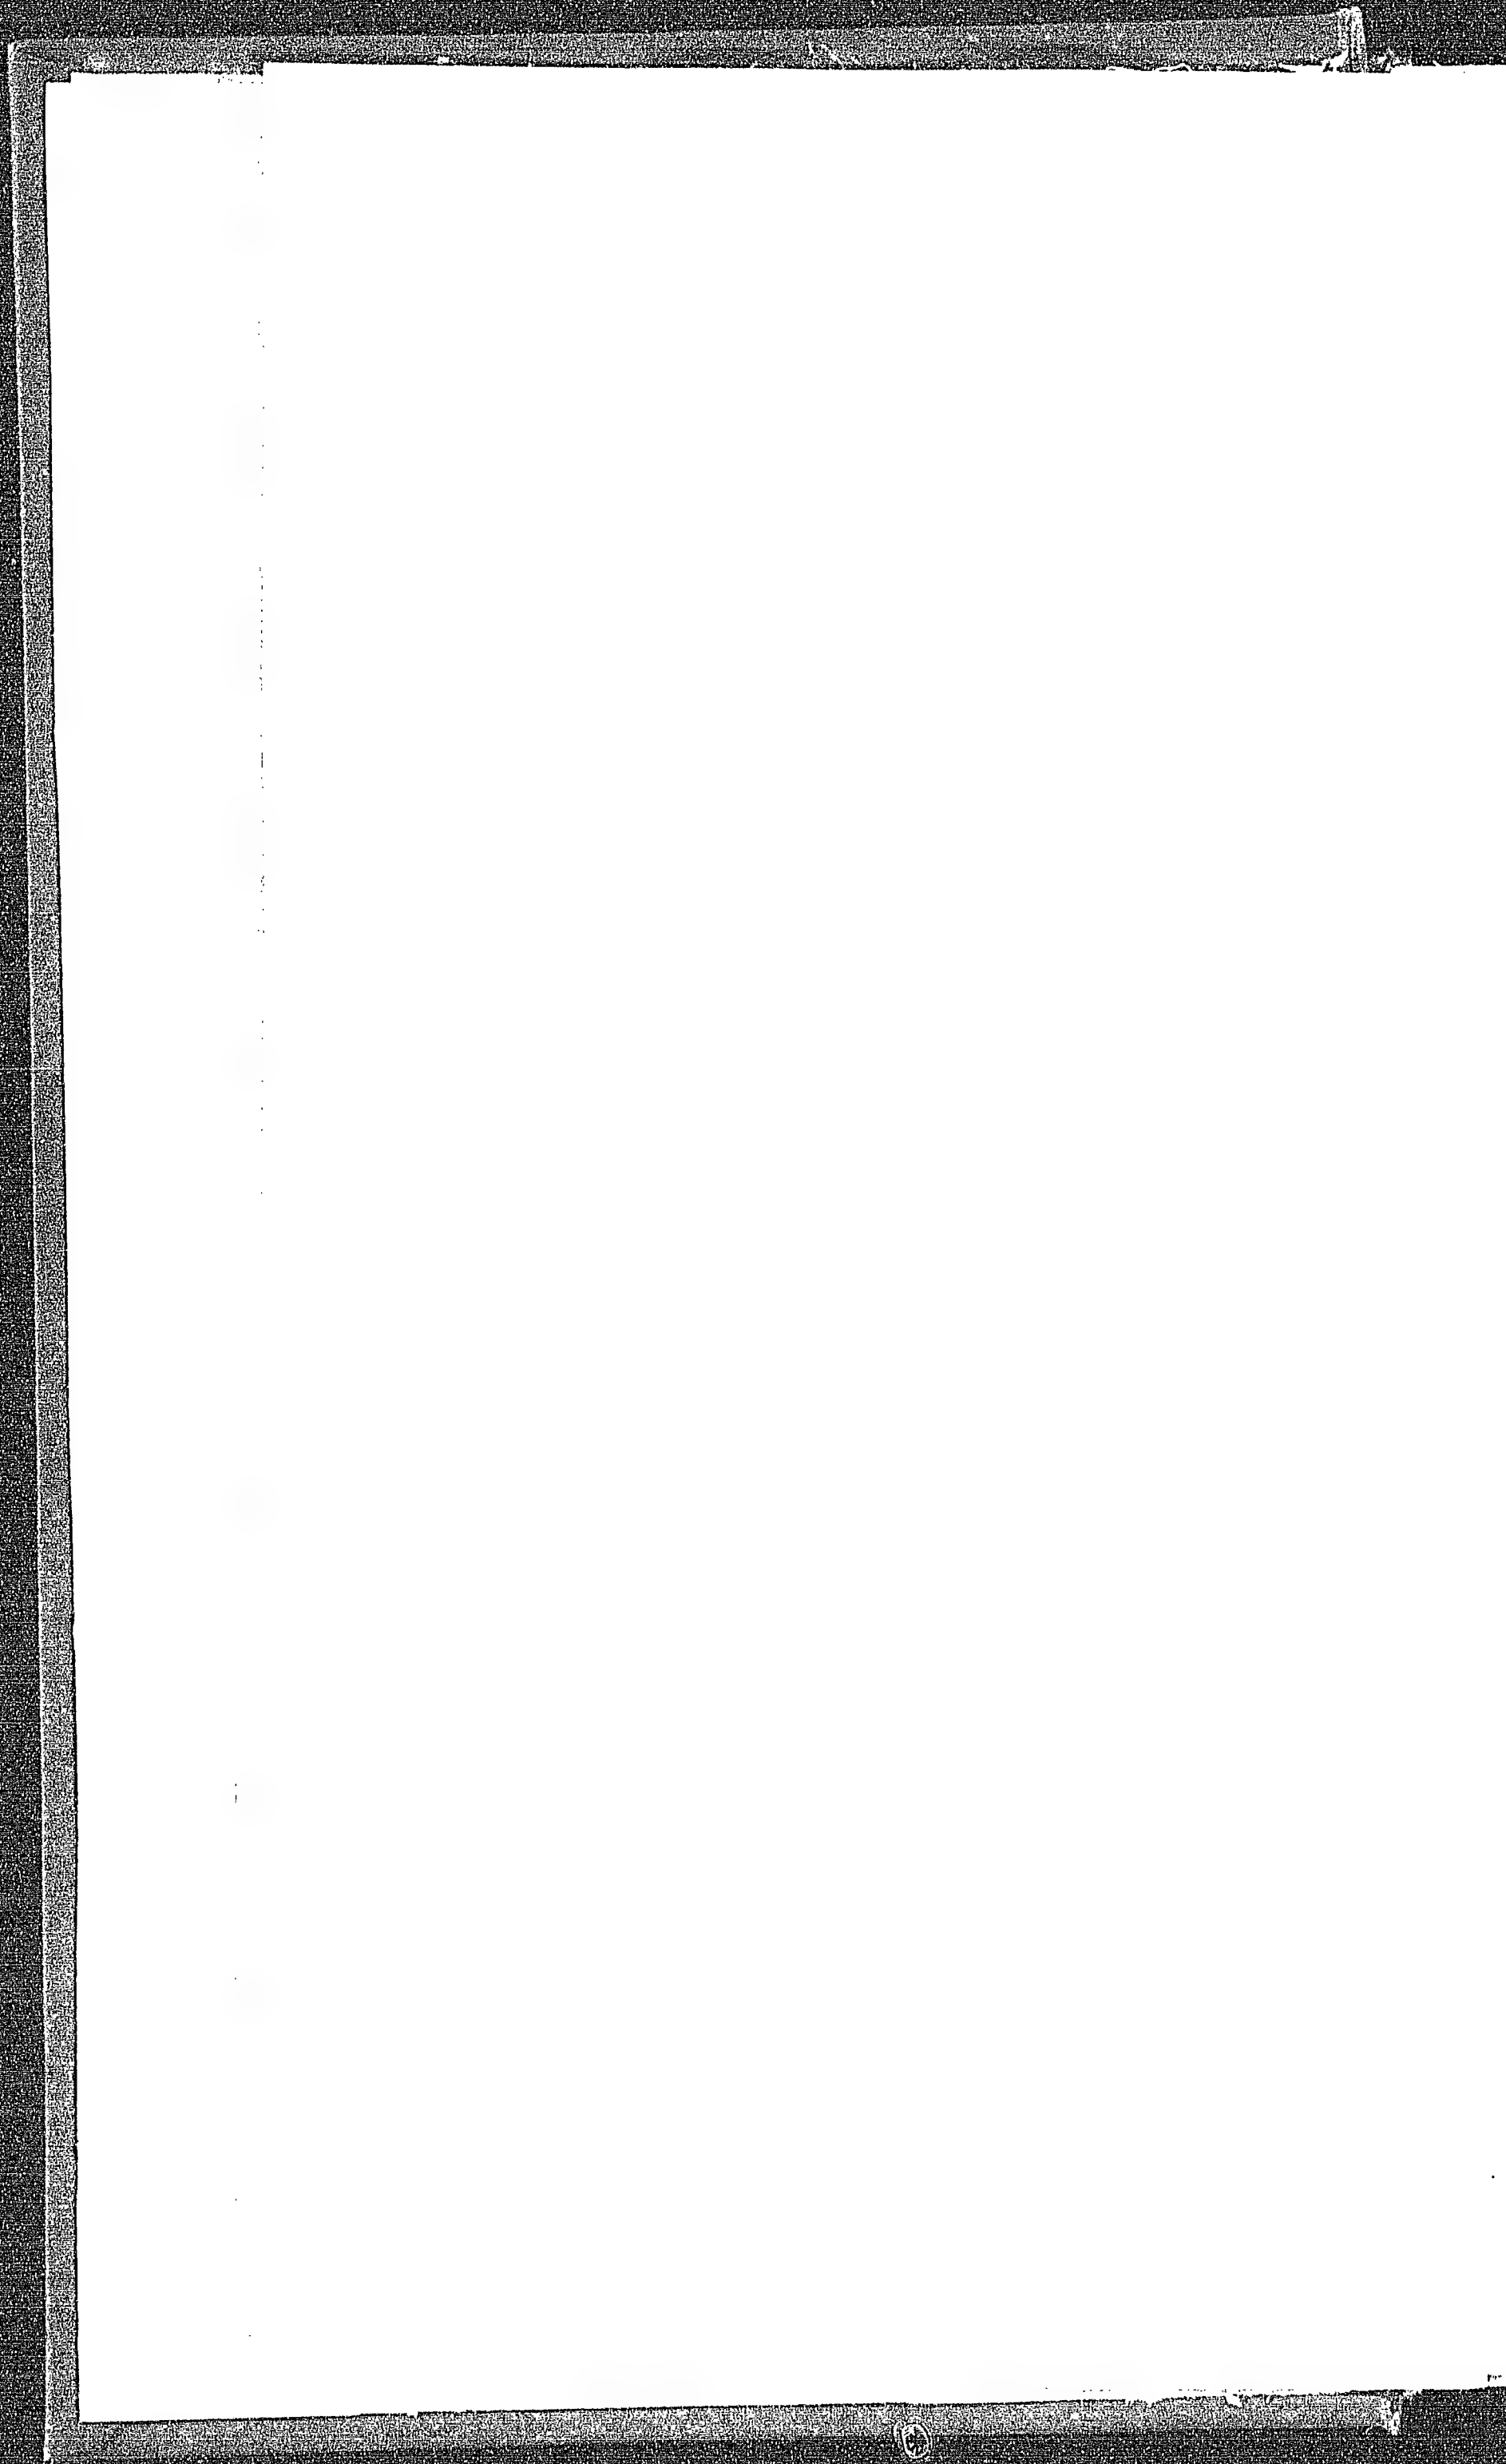

In addition, households in which women work have 25.5% higher gross incomes with more money to spend on labour-saving devices and vacations.

THOUSANDS OF WOMEN USE CITY DIRECTORIES EVERY DAY. ARE YOU GETTING YOUR MESSAGE TO THEM? WHY NOT SET YOUR AD IN A WORKING SITUATION?
